U.S. DEPARTMENT OF COMMERCE
FILING CLERK

PUBLIC UT

OF TEXAS

Oxy Exhibits 4-6 include proprietary materials and information related to the location of Oxy's leases and facilities, as well as ongoing development plans. These materials are considered confidential under 16 Texas Administrative Code 25.272(c)(3), which deems any "information not intended for public disclosure and considered to be confidential or proprietary by persons privy to such information" to be confidential information. Therefore, the materials fall under Texas Public Information Act (TPIA) § 552.101, which exempts from public disclosure information considered to be confidential by law. Further, Oxy's confidential information contains competitively sensitive information, trade secret information, or commercial or financial information, the public disclosure of which would cause substantial

competitive harm to Oxy and would give an advantage to its competitors. Therefore, it is also exempt from disclosure under TPIA §§ 552.104 and 552.110.

Accordingly, Oxy Exhibits 4-6 are exempt from public disclosure under the TPIA and are subject to treatment as either Protected Materials or Highly Sensitive Protected Materials consistent with the Protective Order issued in this case on November 15, 2018.

Respectfully submitted,

THOMPSON & KNIGHT LLP
